### Market Letter.

Kansas City, Mo., Wednesday, Jan. 18, 1905. The best beef steers here sold at \$5.50 yesterday, same price today, and that price was the top last week, but sales are made at \$5.00 to \$5.35 every day, bulk of the steers at \$4.35 to \$4.85, and a good share of the stuff is now making money for the feeder. Every winter, almost invariably, there is a better demand and stronger prices, relatively, for cows and heifers than for steers. They take the place of steers in many cases, after they reach the packers, and there is nothing packers can buy at this season any cheaper, that will do. In the summer and fall they buy grass cattle, but winter and spring is the strong season for butcher stuff. Prices on beef stuff are strong and a little higher nearly every day. Good heifers sell at \$4.00 to \$4.50, best cows up to \$4.15, medium she stuff \$2.75 to \$3.50. Fat bulls are a little lower than last week, veals higher, at \$6.00 to \$6.75 for good ones. Stockers are a shade lower, feeders steady to strong, prices \$3.00 to \$4.35.

Hog receipts are larger and weights heavier than last week. Markets do not fluctuate much, but average strong. Prices are a shade higher today, top \$4.82½, mixed weights \$4.60 to \$4.77½, pigs around \$4.00, light hogs up to \$4.70. Packers have quit talking about prices going lower, and have all the appearance of wanting the hogs pretty bad. Morris & Company's new plant slaughtered 7500 hogs here last week, their first full week.

Mutton prices are at the top notch. It is not thought they will go any higher, although the supply will be short all winter, as any addition to the present price would tend to curtail consumption, which would, of course, react on the demand from packers, and the price of live animals. Best lambs, both native and western, sell at \$7.00 to \$7.50, yearlings \$6.00 to \$6.55, wethers \$5.50 to \$5.75, ewes \$4.50 to \$5.00.

J. E. Gilmore of Lexington, Mo., had in the 11th two loads of stock that sold at satisfactory prices.

J. A. RICKART,  
L. S. Correspondent.

Colonel Tom Pritchard, who has been visiting relatives in Waverly and Lexington, left Thursday morning for a short stay in Sedalia, after which he will return to St. Louis and resume his place as head clerk of the Laclede hotel, a position he has filled since the memory of man runneth not to the contrary.

WINTER EATING RUINS STOMACHS

"Now is the Time You Need Mi-o-na."

Says Crenshaw & Young.

Think for a moment of the extra strain you put upon the stomach in the winter. The hearty food, the late suppers and the lack of exercise and out door life all weaken and strain the stomach, laying the foundation for poor health and suffering.

Chronic stomach troubles, nervous irritability, and serious bowel and kidney diseases have often dated from a week of "extra good living." Nearly every one is bothered with more or less headaches and backaches, furred tongue, poor appetite, dry, hacking cough, heartburn, spots before the eyes, dizziness or vertigo, sleeplessness, lack of energy, loss of flesh or a general weak, tired feeling.

Now is the time when Mi-o-na is needed to repair the ravages and wastes the hearty eating of winter has caused in the stomach and digestive system. This is the only known agent that strengthens the stomach and digestive organs, so they can and will readily digest what food is eaten. A Mi-o-na tablet taken before each meal will remove all irritation, inflammation and congestion in the digestive organs, and so strengthen them that they will extract from the food all that goes to make good rich blood, firm muscle, and a sound, healthy body.

This remarkable remedy costs but 50 cents, and if its use does not restore your full vigor, vitality and health, Crenshaw & Young, one of the best drug firms in this section, will refund your money. Unbounded faith like this deserves your confidence.

Concordian:—Mr. Henry Rolf and Miss Rosa Kronsbein, daughter of Mr. and Mrs. Peter Kronsbein of near Concordia, were married at the Lutheran Trinity church in this city last Sunday, Robling pronouncing the beautiful ceremony. After the ceremony the happy young couple and the invited guests repaired to the home of the groom's parents where a reception was given.

David R. Francis, president of the world's fair, says that one of the smartest things ever said in the grounds was uttered by one of the attendants at the Turkish mosque on the Pike. An elderly apostle fell into conversation with this subject of the sultan, who speaks excellent English. She was much interested in his spiritual welfare, and said to him: "I hope you go to church every Sunday like a Christian?" The man replied very quickly: "No wadam, I go every day, like a Turk."

# THE OLDEST MAN IN AMERICA

## Tells How He Escaped the Terrors of Many Winters by Using Pe-ru-na.

Mr. Brock's  
Age is 115  
Years.

MR. ISAAC BROCK, BORN IN BUNCOMBE CO., N. C., MARCH 1, 1788.

His age is 115 years, vouched for by authentic record. He says: "I attribute my extreme old age to the use of Peruna."

Born before the United States was formed  
Saw 22 Presidents elected.  
Pe-ru-na has protected him from all sudden changes.  
Veteran of four wars.  
Shod a horse when 99 years old.  
Always conquered the grip with Peruna.  
Witness in a land suit at the age of 110 years.  
Believes Peruna the greatest remedy of the age for catarrhal diseases.

ISAAC BROCK, a citizen of McLennan county, Texas, has lived for 115 years. For many years he resided at Bosque Falls, eighteen miles west of Waco, but now lives with his son-in-law at Valley Mills, Texas.

A short time ago, by request, Uncle Isaac came to Waco and sat for his picture. In his hand he held a stick cut

from the grave of General Andrew Jackson, which has been carried by him ever since. Mr. Brock is a dignified old gentleman, showing few signs of decrepitude. His family Bible is still preserved, and it shows that the date of his birth was written 115 years ago.

Surely a few words from this remarkable old gentleman, who has had 115 years of experience to draw from, would be interesting as well as profitable. A lengthy biographical sketch is given of this remarkable old man in the Waco Times-Herald, December 4, 1898. A still more pretentious biography of this, the oldest living man, illustrated with a double column portrait, was given the readers of the Dallas Morning News, dated December 11, 1898, and also the Chicago-Times Herald of same date. This centenarian is an ardent friend of Peruna, having used it many years.

In speaking of his good health and extreme old age, Mr. Brock says:

Ask Your Druggist for Free Peruna Almanac for 1905.

"After a man has lived in the world as long as I have, he ought to have found out a great many things by experience. I think I have done so."

"One of the things I have found out to my entire satisfaction is the proper thing for ailments that are due directly to the effects of the climate. For 115 years I have withstood the changeable climate of the United States."

"I have always been a very healthy man, but of course subject to the little ailments which are due to sudden changes in the climate and temperature. During my long life I have known a great many remedies for coughs, colds and diarrhoea."

"As for Dr. Hartman's remedy Peruna, I have found it to be the best, if not the only, reliable remedy for these ailments. It has been my standby for many years, and I attribute my good health and extreme old age to this remedy."

"It exactly meets all my requirements. It protects me from the evil effects of sudden changes; it keeps me in good appetite; it gives me strength; it keeps my blood in good circulation. I have come to rely upon it almost entirely for the many little things for which I need medicine."

"When epidemics of the grippe first began to make their appearance in this country I was a sufferer from this disease."

"I had several long sieges with the grip. At first I did not know that Peruna was a remedy for this disease. When I heard that la grippe was epidemic catarrh, I tried Peruna for la grippe and found it to be just the thing."

In a letter dated January 31, 1903, Mr. Brock writes:

"I am well and feeling as well as I have for years. The only thing that bothers me is my sight. If I could see better I could walk all over the farm and it would do me good. I would not be without Peruna."

Yours truly,  
Isaac Brock.

For a free book on catarrh, address The Peruna Medicine Co., Columbus, O.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
